Subject: Recently Disciplined Practitioners, Reinstated Practitioners, and Updated List

Attachments: [Atty Discipline Chart Primary.docx](#)

Please see the attached document for a list of currently disciplined practitioners as of June 19, 2018. I would ask each Court Administrator to post this **entire** list in a conspicuous place in order to inform the public of the status of these practitioners. This list will be updated as orders are issued by the Board of Immigration Appeals or the Immigration Courts. Names of reinstated practitioners will be removed from the list after 6 months.

Recently disciplined practitioners are:

David Castillo – On June 15, 2018, the Board issued an order, immediately suspending Attorney Castillo from practice before the Immigration Courts, the Board, and DHS, based on his 30-day suspension from the practice of law in Texas.

Confidential Discipline - Since the last update, the EOIR Disciplinary Counsel has issued confidential discipline to **5** practitioners for the following misconduct: providing ineffective assistance of counsel by failing to timely file an asylum application and for failing to be prepared for hearing on the application; failing to file a brief as ordered by the Immigration Judge; filing an inadequate appeal brief that did not address the Immigration Judge's decision; providing ineffective assistance of counsel by incorrectly advising the Immigration Judge that an I-130 petition was pending rather than approved; and failing to appear for multiple hearings before client decided to proceed pro se.

EOIR's Attorney Discipline Program now has a dedicated e-mail address that EOIR employees may use to report misconduct by private immigration practitioners. The e-mail address is EOIR.Attorney.Discipline@usdoj.gov and appears in the global address list as: Attorney Discipline, EOIR.

Please note that pursuant to Chapter 10.9 of the Immigration Court Practice Manual and Chapter 11.10 of the Board of Immigration Appeals' Practice Manual, a disciplined practitioner is obligated to advise all clients whose cases are pending before the Immigration Court or the Board that he or she has been disciplined. The Immigration Court Practice Manual further states:

Once a practitioner has been expelled or suspended [by an order issued by the Board or an Adjudicating Official], the practitioner's pending cases are deemed unrepresented. The Immigration Court rejects filings that are submitted by a practitioner after he or she has been expelled or suspended [by an order issued by

the Board or an Adjudicating Official].

The Board's Practice Manual has a similar provision. Therefore, a disciplined practitioner has no authority to make any requests, including motions for continuances, in any of his or her former clients' cases, and the Immigration Courts and the Board do not, and should not, deal with a disciplined practitioner concerning his or her former clients' cases.

Also please note that if a practitioner is suspended or expelled, he or she may resume representation of former clients only after the Board issues an order granting reinstatement. Furthermore, they are then required to enter a new Notice of Entry of Appearance form in each case, even if he or she was the attorney at the time that discipline was imposed. Immigration Court Practice Manual Ch. 10.10(d); Board's Practice Manual Ch. 11.10(b), 11.12(c); EOIR Rules of Professional Conduct, 8 C.F.R. § 1003.107(c).
